

## Banerji Protocol in Japan

Drs. Prasanta Banerji and Pratip Banerji attended a three day teaching seminar from 18th -20th July, 2009, at Japan on the invitation of Dr. Torako Yui, the President of the Japanese Homoeopathic Medical Association and the Principal of the Japan Royal Academy of Homoeopathy. The subject of discussion was Banerji Protocol and the changes in homeopathy practice.

The seminar was conducted at Tokyo, while approximately nine hundred students participated with much enthusiasm in the online seminar simultaneously from seven different cities.

Dr. Yui and her students have a plan to visit Kolkata soon to gain first hand experience of the Foundation's clinic and treatment systems. [View more images of the teaching seminar here .](#)
